He was one of Berry's drinking mates at the tavern, a decent enough young fellow, for a cowboy.. Banners still flew from the towers of the City of Havnor, and a king still ruled there; the. Soon, he thought now, he would not need one. He would have real power over her. He had finally seen how to get it. She had given it into his hands. Her strength and her willpower were tremendous, but fortunately she was stupid, and he was not.. Tern left late that year on his journey. He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance.. freedom than most village women and less need to fear abuse.
