As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. We can be easy.".foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long..Though like any power they could be perverted to evil use in the service of ambition (as was the Terrenon Stone in Osskil), the Old Powers were inherently sacral and pre-ethical. During and after the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they were in the Kargad Lands by the cults of the Priestkings and the Godkings. So by the eighth century, in the Inner Lands of the Archipelago, only village women kept up rituals and offerings at the old sites. They were despised or abused for doing so. Wizards kept clear of such places. On Roke, itself the center of the Old Powers in all Earthsea, the profoundest manifestations of those powers-Roke Knoll and the Immanent Grove-were never spoken of as such. Only the Patterners, who lived all their lives in the Grove, served to link human arts and acts to the older sacredness of the earth, reminding the wizards and mages that their power was not theirs, but lent to them..engulfingly soft, as everywhere. His Ulla was given to jumping fences, but after she had wandered."What brought you here, Azver?" the Namer asked. "I've often thought of asking you. A long, long.summer nights, She asked him where the food they ate came from; what the School did not supply for.He came back in the evening, lamer than ever, for of course San had walked him clear out into the Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his cowboys. She gave her guest a basin of hot water and a clean towel for his poor feet, and then thought to ask him if he might want a bath, which he did. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat. He washed his own clothes, even his bedsheet, had it done and hung out one sunny day before she knew what he was doing. They dug down carefully and came to the water; they let it leap up into the.master say to the helmsman, "Keep her south tonight so we don't raise Roke.".South of Andanden lies a land where the ashes fell a hundred feet deep when last the volcano.On the island of Ark, and in Orrimy on Hosk, and down among the Ninety Isles, there are tales about a man who came seeking for a land where people remembered the justice of the kings and the honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are about Medra, since he went under many names, seldom if ever calling himself Otter any more. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them a man called Early, who would have liked to find the young upstart who defeated his master Gelluk. And

Early had a good chance of tracing him. Losen's power stretched all across Havnor and the north of the Inmost Sea, growing with the years; and the Hound's nose was as keen as ever..was silent and patient.. "But maybe now? Long, long lists of names and numbers, debts and credits, profits and losses.. "I gave it up, Darkrose. I had to either do it and nothing else, or not do it. You have to have a single heart.. "Well," Rose said, and dumped out the salt water on the bare dirt of the small front yard of her house, which, like most witches' houses, stood somewhat apart from the village. "Well," she said, straightening up and looking about vaguely as if for an answer, or a ewe, or a towel. "You have to know something about the power, see," she said at last, and looked at Dragonfly with one eye. Her other eye looked a little off to the side. Sometimes Dragonfly thought the cast was in Rose's left eye, sometimes it seemed to be in her right, but always one eye looked straight and the other watched something just out of sight, around the corner, elsewhere..Medra bowed his head, standing there.
