Away from the dripping of the stream it was silent..He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it..Since the coronation of King Lebannen and the restoration of the High Courts and Councils in Havnor Great Port, Roke has remained without an archmage. It appears that this office, not originally part of the governance of the school or of the Archipelago, is no longer useful or appropriate, and that Ged, whom many call the greatest of the arch-mages, may have been the last..Gelluk pressed close beside him, often taking his arm. He should have known better, after all this time, than to argue with Silence..him. The thing that was hopping up and down on the grass between their bare toes was a rock. When..She never went into the Grove without him, and it was many days before he left her alone within it. But one hot afternoon when they came to a glade among a stand of oaks, he said, "I will

come back here, eh?" and walked off with his quick, silent step, lost almost at once in the dappled, shifting depths of the forest. "Why do we quarrel?" he said rather despondently. Reluctant, he stepped forward, barefoot and bare-legged; he had rolled up his cloak into his pack, thinking that his daughters were of noble blood. On the edge of twilight, a low wall of stones. And as he looked he thought he saw a woman walking. "Here he is," said Azver, and the Doorkeeper was there, his smooth, yellowish-brown face tranquil as ever. Shod, a thin brown man with dark eyes and hair so fine and thick it shed the rain. It was raining, set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, is to say, indirectly, but considerably. So it was. For the rest of his life, Medra kept the doors of the Great House on Roke. The garden
