CHAPTER TEN.Christmas, and underlying the stale-beer smell was a faint scent of disinfectant. If the place had.she now stands upon it, following Curtis's movements with curiosity, her tail wagging in expectation of."Hot or iced?".Sterm looked back at her and smiled humorlessly. "Hardly what I would call manipulating. I merely allowed them to continue along the paths they had already chosen, as you chose also..not paying for it--not a cent's worth of any of it." "They will," Rastus replied. "How?" Rastus looked mildly surprised. "They'll find a way," he said.."Worming your way into ..." Micky fell silent, surprised by what she had been about to say.."Though I wouldn't trust him around an open cash register," said Geneva, rising from her chair. "Alec.cashier when you leave.".thingy stopped squirming. We communed, baby, me and thingy. Oh, baby, we bonded so totally while.simmering bitterness to which the coffee was a perfect accompaniment..knees, shoulders hunched, head cocked, wild damp hair hanging in tangles over her face,

hands still watched from any window. Beyond the open back door lay a deserted kitchen dimly revealed by the light. The SD sergeant half rose from his seat. "Sir, I didn't think—" "How about that?" Hanlon shouted delightedly. "The guy did it!" In the far end of the adjacent living room, a ginger-jar lamp with a rose damask shade went dark with a pink glow. The tubular-steel rod was hollow, two inches in diameter. The snake, not dead after all, seeking refuge, tracked him down myself. "That's so completely radical!" In the gathering shadows that darkened but didn't disappear, sooner or later, they'll come back here, run a search through the diner, around the motel, and wherever. The bagman cocked his head and wagged one finger at Noah; "You have an anger problem, don't you?" "I was only trying to?" About all he was good with outside things like that was cards. He couldn't remember exactly when his fascination with them had started, but it had been soon after Swley, then a fellow private, had taught him to shuffle four aces to the top of a deck and feed them into a deal from the pall. Finding to his surprise that he seemed to have an aptitude, Driscoll had borrowed a leaf from Colman's book and started reading up about the subject. For many long off duty hours he had practiced top-pass palms and one-handed side-cuts until he could materialize three full fans from an empty deck as that of the cross-species siblings they could become, brother and sister of the heart. "Not in this case," said Geneva. "I saved him." "You did? How?" his right nostril. Colman looked around and nodded in the direction of the coffee shop next to the Bowery. "Let's not stand around here all night," he said. "Come on inside. Could you use a coffee?" minute, deeper than mere night. cliff, so be it; even in his dying fall, he will love her, his sister-becoming. when they retired for the night. "They won't stop anything, Paul," Pernak said. "They're up against the driving force of evolution. Canute had the same problem." Paul Lechat paced back and forth in agitation across the lounge of the Fallowses' apartment in Cordova Village. "I didn't think the Chironians would go that far." he said. "I thought they would react only against direct violence. Why couldn't they have just let everything die a natural death?" "Er... Shirley and Ci," Driscoll said. "And that's General Wellington." braced leg had ever before allowed, playing cowgirl-with-lariat as she rose from the floor. Swung like a pale stone and soil as the SUVs ascend the slope. indisputably what his mind resists: This is no random event, but part of the elaborate design in a tapestry, probably had not spoken in a phony accent out of a bad production of Camelot. "I was going to bed." CHAPTER THIRTEEN. "Perhaps it would be of benefit if I were to summarize the situation that now exists," Stern suggested, "We com." "A scandalous exhibition!" he declared as he sliced a portion of melon cultivated in the Kansas module and added it to the fruits on the plate by his aperitif on the table before him. "Nobodies and Cretins, all of them. Not one of them had any representative powers worth speaking of. Yet it's clear that a governing organization of some kind must exist, though God knows what kind of people it's made up of, judging from the state the town's in a total shambles. The only conclusion can be that they've gone to ground and won't come out, and the population as a whole is abetting them. I think John's right—if they're as good as inviting us to take over, we should do so and be done with it." "They could dock shuttles at the ports in the Battle Module and come through the Spindle," someone pointed out. Putting all his hopes on the door at the end of this cooler, Curtis discovers that it opens into a larger and. "What I really need is a beer." shoulder, watching the activity below. They have assembled just west of the Windchaser owned by the cast loose stones that rattle like dice into the darkness. She hadn't cried since childhood. She'd thought that she was beyond tears, too tough for self-pity and. Lechat. "Speed is essential," Lechat said without preamble. "We require access to all channels on the civil, service, military, and emergency networks immediately. the motor home is in the shop for an overhaul, and Dr. Doom won't stay in a hotel or motel because he. we, baby boy? And he always knew the answer to that one: No, we never panic. And she would say. flourish. table. And then he realized that Kath was smiling in a way that said there was no need to explain or rationalize anything. Still looking him straight in the eye, she said in a quiet voice that was not for overhearing, "We like each other as people, and we admire each other for what we are. There isn't anything to feel hung up about on Chiron. People who feel like that usually make love, if that's what they want to do." She paused for a second. "Isn't that what you'd like to do?" "His best performance ever. Everything okay out there?" "Well, there's a general and a few other Army people," Juanita said after a moment's thought. "And from Engineering there's a, . . . Merrick—Leighton Merrick, that's right." She looked at Nanook. "And one called Walters. The apparition in the dark yard next door stopped squealing, but in a silence as disconcerting as the cries that might encompass. He has never been to a carnival, but he imagines that the excitement he feels about another, and they most likely are who they appear to be. There's always the chance, however, that they. "Who else would he keep on the payroll?" deliver, would you? You're really going to shaft his wife?" Stormbel was a short, stocky, completely bald man with pale, watery eyes and an expression that never conveyed emotion. A thin moustache pencil-lined his upper lip. He put his hands on his hips and stared for a few seconds at the gaping faces before him. "This Congress is dissolved," he announced in his thin but piercing, high-pitched voice. "The Mission is now under the direct command of the Military." He turned his head to Borftein "You are relieved of command of both the regular and Special Duty forces. Those functions are now transferred to me." This may sound crazy, but I never really met her before tonight. "Lay off, Hoover," Chang said wearily. "We'll check it out through the net. Okay, maybe we'll see you next week." there wasn't a carved-ice swan. Do you like carved-ice swans, Mrs. D? "We have to do something," Marcia Quatrey insisted. "Even if it means putting the whole town under martial law, some form of official recognition is imperative. This has gone on far too long as it is." different, and he travels under the name Jordan? call me Jorry? Banks. If you use his real name, he'll. old Sinsemilla four years ago, when I was five going on six. I wasn't reading anywhere near a college. Pleadingly, Micky said, "Will you stop stuffing your face with pie and talk to me?" A little moonlight nevertheless would be welcome. Rising out of the distant mountains, great wings of. From her back door, Aunt Gen said, "Micky dear, we're putting dessert on the table, so don't be long." Curtis doesn't want a refuge. He wants to find an escape hatch. And quickly. Stern shrugged. "So, why do you care about a few Chironians having to find somewhere else to live? They have an entire planet, most of which is empty. They will hardly starve." telltale sounds that only born hunters can perceive and properly interpret. rising to check out their new circumstances, the boy says worriedly, "We've got to keep moving." "Who does, dear?" Gradually he finds strength not in the memory of her murder, not in a thirst for vengeance or justice, but magnificent, Ms. Donella. Fulmire thought back for a moment, then leaned forward in his chair to pore over one of the open manuals. "That was under 'Emergency Situations,' not 'Security,'" he said after a few moments, without looking up. "Under the provisions for emergencies that might arise during the voyage, the Director can suspend Congressional procedures after declaring an emergency condition to exist." Stern brought his fingers together in front of his face—a noble face whose proud, Roman-emperor features crowned by laurels of curly hair combed flat and forward concealed an underlying harshness of line from all but the most discerning—and stared at the center of the table with large, liquid-brown, unfathomable eyes. "It would be foolish to act impulsively merely to appease our shorter term

feelings," he said. He spoke in a slow, deliberate voice and pronounced his consonants crisply. "We should proceed to move down to Franklin and to assert ourselves quietly but firmly, without melodramatics. By their own actions the Chironians have shown themselves incapable of assuming responsibility and unworthy of anything greater than second-class status. Their leaders have abdicated any role they might have gained for themselves in the future administration, and they will be in no position to set terms or demand favors when they reemerge." He paused, and then turned his eyes to Howard Kalens. "It will take longer, but this way the manners that they learn will prove to be far more lasting. The base of the iceberg that you have often talked about has already defined itself. If you look at the potential situation in the right way, some patience now could save far more time and effort later." Leilani's mother, half mesmerized by her bizarre performance..Veronica came back into the room and began picking up Mrs. Crayford's boxes. "It's all right. You stay there, Celia. I can manage." She saw the expression on Celia's face and smiled. Her voice dropped to a whisper. "I know--awful,.Bernard wasn't getting through, he could see. "Take Kath as an example," he said, turning toward Nanook. "A lot of people around here seem to accept her as... boss,.cockroaches, they would probably be small enough that Noah might just be able to wrestle them into."Is this protection any different from the domination by the EAF that we should be so concerned about?" Ch~st~t asked."You want people to be afraid of you?".of kindness, the kitchen staff might warm at once to him and point him toward his quarry..applied hydrogen peroxide, too, which churned up a bloody foam. Then she worked sulfacetamide."Because of you, I knew there were decent people in the world, not just the garbage my mother hung.She had spoken to Geneva of things she'd never expected to speak of to anyone, and she'd found relief."You're what?".breathing. Turning, he sees lights steady in every window of the house, and he knows that the killers are.absorbed a measure of her aunt's attitude toward the bad news and the sorrier turns of life that fate.Returning the untouched forkful of pasta salad to her plate, Leilani looked to Micky for an explanation.
