Standing in profile to."It's not a story they'll hear from him. He says the ETs don't want publicity. This isn't just alien modesty..Colman frowned, rubbed his brow, and in the end tossed out his hand with a sigh. "No . . . we're not making the right point somehow. Let's put it this way--how can you measure who owes who what?" The painter scratched his nose and stared at the ground over his knuckle. Clearly the notion was new to him. -. "When we return, it will be a different story," Stern told his entourage on the Bridge as the module's main drives fired and they felt it surge forward and away from the Mayflower II's nose. "But first, we have, to deal with our Chironian - . . . friends. What is the report on the Kuan-yin?". "The woman is either nuts or higher than a Navajo shaman with a one-pound-a-day peyote habit.". "What for?" The Chironian in the purple sweater and green shorts asked.. "Good pup," he tells Old Yeller, meaning to encourage her and prepare her for what might be coming.. "She's on the payroll of your husband's charitable foundation.". During her short walk, the electrical service had come on again. The wall clock glowed, but it displayed.. Just over four square miles but irregular in outline, Phoenix included most of Canaveral City with its central district and military barracks, the surrounding residential complexes such as Cordova Village that housed primarily Terrans, and a selection of industrial, commercial, and public facilities chosen to form the nucleus of a self sufficient community. In addition an area of ten square miles of mainly open land on the side away from Franklin was designated for future annexation and development. Transit rights through Phoenix were guaranteed for Chironians using the maglev between Franklin and the Mandel Peninsula, in return for which Phoenix claimed a right-of-way corridor to the shuttle base, which would be shared as a joint resource..
