Tell me what's wrong." AS THE WULFSTAN PARTY was being seated at a window table, slowly tumbling

masses of cottony fog rolled across the black water, as if the bay had awakened and, rising from its bed, had tossed off great mounds of sheets and blankets. "Oh, Wally, I am worried. I'm deeply worried. My mama is going to buy herself a first-class ticket to the fiery pit if she doesn't stop this prevaricatin'." In each savings account, he deposited five hundred dollars in cash. He tucked twenty thousand in crisp new bills into each safe-deposit box. "Consider what I told you," Dr. Salk urged. "Your Perri would want you to think about it." With his refreshed drink, studying Celestina's photograph in the brochure, Junior returned to the living room. She was as stunning as her sister, but unlike her poor sister, she wasn't dead and was, therefore, an appealing prospect for romance. From her, he must learn whatever she knew that might help him in the Bartholomew hunt, without alerting her to his motive. At the same time, there was no reason that they couldn't have a fling, a love affair, even a serious future together. Tom stared down into the oceanic depths of the city, through the reefs of buildings, to the lamp-fish cars schooling through the great trenches. "I know Edom and Jacob have been a burden," said Vinnie, "you having to be responsible for them-". By the time Agnes opened the driver's door and slumped behind the steering wheel, Barty levered himself onto the seat beside her. Grunting, he pulled his door shut with both hands as she jammed the key in the ignition and started the engine. The man's voice echoed hollowly in Junior's ears, as if coming from the far end of a tunnel. Or from the terminus of a death-row hallway, on the long walk between the last meal and the execution chamber. "Well, you ought to be," Grace said, taking her pies out to the Suburban that Wally had bought solely for this enterprise. "I think we could wind up as crazy as he is, if we tried long enough to puzzle out his twisted logic." When Frieda finished retching and passed out in a heap, Junior left her on the floor and immediately set out to explore her rooms. Because Harrison, with the best of intentions, had not wanted to open wounds, Cain could walk up to Celestina anywhere, anytime, and she wouldn't know that he might have been her sister's rapist. To her, his face was that of any stranger. During the five years following Agnes's death, their family of many names thrived. Barty and Angel had brought them all together in this place fifteen years previously, but the destiny about which Toni had spoken on the back porch, that night in the rain, seemed to be in no hurry to manifest itself. Barty could find no painless way to sustain secondhand sight, so he lived without the light. Angel had no reason to shove anyone else into the world of the big bugs, where she'd pushed Cain. The only miracles in their lives were the miracles of love and friendship, but the family remained convinced of eventual wonders, even as they got on with the day at hand. "Quick, very quick," he warned, helping Grace through the fire framed window and onto the roof of the porch. Instead, he imagined Vanadium's blunt fingers moving over the intravenous apparatus with surprising delicacy, reading the function of the equipment as a blind man would read Braille with swift, sure, gliding fingertips. He imagined the detective finding the injection port in the main drip line, pinching it between thumb and forefinger. Saw him produce a hypodermic needle as a magician would pluck a silk scarf from the ether. Nothing in the syringe except deadly air. The needle sliding into the port Paul checked the back of the Suburban, since he fancied himself the wagonmaster. He wanted to be sure that the goods were loaded in such a way that they were unlikely to slide or be damaged. "Packed tight. Looks just fine," he declared, and closed the tailgate door. Uncommonly healthy, he didn't suffer croup, flu, sinusitis, or most of the ailments to which other children were vulnerable. "Maria is coming by with Francesca and Bonita," Agnes said. "We might as well put all the extensions in the table. Barty, call Uncle Jacob and Uncle Edom and invite them for dinner." Three equally modest rooms opened off this lounge. Two housed complete dental units, and the third provided cramped office space shared by the receptionist and the doctor. before used. Boeotian. A dull, obtuse, stupid person. He felt very Boeotian all of a sudden. They introduced themselves as Knacker, Hisscus, and Nork, but Junior didn't bother to associate names with faces, partly because the men were so alike in appearance and manner that their own mothers might have had difficulty figuring out which of them to blame for never calling. Besides, he was still tired from his recent ramble through the hospital-and unnerved by the thought of some baleful-eyed Bartholomew prowling the world in search of him. The window gave way an instant before Celestina squeezed off the shot. The man dropped out of sight. She didn't know if she had scored a hit. At the far end of the table, Agnes shot up from her chair as her son said rain, and as he said wet, she spoke warningly: "Barty!". A surprising number of the women who had been his lovers were recreational drug users, and over the past couple years, he had met several dealers who supplied them. From the least savory of these, he purchased five thousand dollars' worth of cocaine and LSD to establish his credibility, after which he inquired about forged documents.
