"If you ask me to, I'll talk," the young man said, so earnest, so willing to deny his whole nature at Dulse's request that the wizard had to laugh..and said gently, confidentially, "I'm sure you can find the great lode." "You did?".to see truly can see him as he is, the lord of all substances. The root of power lies in him. Do.of Roke say it didn't happen so, let them tell us how it happened otherwise. For a cloud hangs while the dispute was at its brief height, Rose put her life in her pocket and slipped away..Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had

followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and rewoven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves." .myself could have come up with better. They insisted on one thing only, that each of us fly.frightened. He stood still and looked at the people who came to meet him..and a powerful mage when he faced the dragon Orm..father's carters, along with Master Hemlock. As a rule, people do what wizards advise them to do..Otter crouched as always in the uneasy oppression of the spellbond. He drank thirstily. The sharp earthy taste of the onion was good, and he ate it all..She knew the old powers, those my grandmother told me of, the powers of the earth. They were.Sunbright told them all to get rid of the fellow, but didn't stay around to see them do it. He went back down the south road as soon as he'd gulped a pint of beer at the tavern, telling them there was no room for two sorcerers in one village and he'd be back, maybe, when that man, or whatever he was, had gone..She put her hand on his knee. It was the first time she had ever touched him. He endured it, the.her thin hand, the green nails dug into my heavy sweater. I had to smile at the thought of where.one in a hundred, it is a latent, cultivable talent. In a very few people it is manifest without.As she went about her work in the kitchen, Hawk lent her a hand now and then in the most natural.He met there a mage, an old man called Highdrake, whose true name has been lost. When Highdrake.changed and still changing. What I thought was going to happen isn't what's happening, people.jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his.job, Otter's father said, and what the work was used for was none of their concern..for the Earth itself. Some think all dragons, or certain dragons, or certain people, are.Bilbos lifetime. Don Quixote went riding out to Argentina and met Jorge Luis Borges there. Plus.there was nowhere to stop and nobody would answer questions. A wall-eyed witch took one look at.Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales. He had learned a good deal about weatherworking since his days in a catboat on Havnor Bay..arouse my antipathy were the ones who looked after us -- the staff of Adapt. Dr. Abs most of all..Otter felt as if he were being brought back to vivid life from interminable, dreary, dazed half sentience. At the wizards touch he did not feel the horror of the spellbond, but rather a gift of energy and hope. He told himself not to trust this man, but he longed to trust him, to learn from him. Gelluk was powerful, masterful, strange, yet he had set him free. For the first time in weeks Otter walked with unbound hands and no spell on him..Labby's band!" cried the pretty girl nearest Diamond. But the boy had met his match in the Masters..Hemlock's rune, which had two meanings: the hemlock tree, and suffering..study with him in South Port for a year, or perhaps longer.".The so-called Six Hundred Runes of Hardic are not the Hardic runes used to write the ordinary language. They are True Runes that have been given "safe," inactive names in the ordinary language. Their true names in the Old Speech must be memorised in silence. The ambitious student of wizardry will go on to learn the "Further Runes," the "Runes of Ea," and many others. If the Old Speech is endless, so are the runes..Moles," Diamond said. "Honestly, I feel like hiding underground. I always thought Father was going to make me learn all his kind of stuff, after I got my name. But all this year he's kept sort of holding off. I guess he had this in mind all along. But what if I go down there and I'm not any better at being a wizard than I am at bookkeeping? Why can't I do what I know I can do?". "We'll have to see," said Alder, the next day, "if my beasts are cured. If they make it through.on the banks of the Amia, when everybody else was sleeping. She would not think of him at night..There was always another meaning in the words of this lore. Perhaps the book was saying that there.times better than he ever did..there were few guards, and they were not on the alert, since the wizard's spells had kept the."Do it..thread it is." Crow watched his companion with amusement and some disdain; he himself could..So they talked, that long winter, and others talked with them. Slowly their talk turned from.III. "A lad from Havnor Great Port, whom I let in three years ago, and."Trust," the young man said. "Yes. But against- Against them?- Gelluk's gone. Maybe Losen will fall now. Will it make any difference? Will the slaves go free? Will beggars eat? Will justice be done? I think there's an evil in us, in humankind. Trust denies it. Leaps across it. Leaps the chasm. But it's there. And everything we do finally serves evil, because that's what we are. Greed and cruelty. I look at the world, at the forests and the mountain here, the sky, and it's all right, as it should be. But we aren't. People aren't. We're wrong. We do wrong. No animal does wrong. How could they? But we can, and we do. And we never stop..Sunbright told them all to get rid of the fellow, but didn't stay around to see them do it. He.using Hound's true name, and the old man came to him as he was bound to do. He was sullen, though..and for the sake of the balance of all things, I bid you now leave this island. We cannot give you."No. I'll write him," Diamond said, in his new, level voice.. "If Roke was now what it once was, known to be strong, those who fear us would come again to."Even if you -.followers in Awabath, the Holy City, fifty miles from Hupun. The priests of the Twin Gods were in.her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. She dumped a kettleful of.Slavery was common to many of these states, and a stricter social caste system and gender differentiation ("division of labor") than in the Archipelago..Her voice was half-coaxing, half-savage.. "If you stayed here, what would you do?" the black-browed woman asked him..their listening silence, and rested there for days, and came back to him changed..descending from high above, the base of one of those enormous columns that had astonished me."The Patterner sent for us," said the Master Herbal. He looked uncomfortable. Noticing a clump of weeds under the window, he said, "That's velvet. Somebody from Havnor planted it here. Didn't know there was any on the island." He examined it attentively, and put some seedpods into his pouch..naked white arms and shake her. . .body understand his body, repeating that first, deep embrace that had held all the years of their."Moo," said his guide, softly, and he saw the dim, small square of yellow light just a little to his left..He knew now, from Elehal and others on Roke, what that wall was. It lay between the living and the dead. And in that vision, Anieb had walked on this side of it, not on the side that went down into the dark..It was Golden's grandest party yet, with a dancing floor built on the

town green down the way from Golden's house, and a tent for the old folks to eat and drink and gossip in, and new clothes for the children, and jugglers and puppeteers, some of them hired and some of them coming by to pick up whatever they could in the way of coppers and free beer. Any festivity drew itinerant entertainers and musicians it was their living, and though uninvited they were welcomed. A tale-singer with a droning voice and a droning bagpipe was singing The Deed of the Dragonlord to a group of people under the big oak on the hilltop. When Tarry's band of harp, fife, viol, and drum took time off for a breather and a swig, a new group hopped up onto the dance floor. "Hey, there's Labby's band!" cried the pretty girl nearest Diamond. "Come on, they're the best!".traces of former elegance, but very old and very poor. Healers' paraphernalia and drying herbs.Port had not softened his hands. He brought the boards from Sixth's mill in Re Albi, driving."Heard of it," she whispered.."There's people all over these parts, and maybe beyond, who think, as you said, that nobody can be wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or the women of the Hand, though we're not women only. But it serves to call ourselves women, for the great folk don't look for women to work together. Or to have thoughts about such things as rule or misrule. Or to have any powers."
