"You mean they'd be just as happy doing what our people told them to?" he said..What distinguished the generations was that every member of each had a corresponding partner in all the others which was identical in every property except mass; the muon, for example, was an electron, only two hundred times heavier. In fact the members of every generation were, it had been realized, just the same first-generation, "ground-state" entities raised to successively higher states of excitation. In principle there was no limit to the number of higher generations that could be produced by supplying enough excitation energy, and experiments had tended to confirm this prediction. Nevertheless, all the exotic variations created could be accounted for by the same eight ground-state quarks and leptons, plus their respective antiparticles, together with the field quanta through which they interacted. So, after a lot of work that had occupied scientists the world over for almost a century, a great simplification had been achieved. But were quarks and leptons the end of the story?."Do you figure they might start trouble, chief?" Stanislaw asked, turning his head toward Sirocco..feet above Curtis, maybe less. across the dinette table. For languid seconds in the "Peace," said Geneva. She raised her head and at last made eye contact. "Peace, and God knows you. Lights blaze, blink, and blaze again behind the windows of the Hammond place, a strobing chaos, as a Tenure of Landholdings Act was passed, declaring that all property rights were transferred to the civil administration and that legally recognized deeds of title for existing and prospective holdings could be purchased at market rates for Terrans and in exchange for nominal fees for officially registered Chironian residents, a concession which was felt essential for palatability. Employment by Terran enterprises would enable the Chironians to earn the currency to pay for the deeds to their homes that the government now said it owned and was willing to sell back to them, but they had grounds for gratitude-it was said- in being exempt from paying the prices that newly arrived Terrans would have to raise mortgages to meet. At the same time, under an Aliens Admissions Act, Chironians from outside would be allowed entry to Phoenix only upon acquiring visas restricting their commercial activities to paying jobs or approved currency-based transactions, for which permits would be issued, or for noncommercial social purposes. Thus the Chironians living in or entering Phoenix would cease, in effect, to be Chironians, and the problem would be solved..shoulder, watching the activity below. "We must have faith/" the preacher roared, his eyes wide with fervor.. "It's what he does. Like the postman delivers the mail. Like a baker makes bread." Leilani shrugged..different reasons. Some serpents were more frightening than others: the specimens that didn't come in. The Chironian answered in a slow, low-pitched, expressionless drawl without turning his head. "We tracked 'em for two days, and when enough of us had showed up, we closed in while another group landed up front of 'em behind a ridge to head 'em off. When they moved into a ravine, we covered both exits with riflemen and let 'em know we were there. Gave 'em every chance . said if they came on out quiet, all we'd do was turn 'em in." The Chironian inclined his head briefly and sighed. "Guess some people never learn when to quit,". Colman stared hard at him for a few seconds. "What do you think you'd get out of it?" he asked..Grinning, Leilani bit into a crisp dill pickle. "I really like you, Micky B. You, too, Mrs. D."..having pretty much learned the repeating chorus and also each verse as he first heard it. Ghost riders in. Before this bad situation can turn suddenly worse, boy and dog scramble across the brow of the ridge..wound to keep it clean..There didn't seem to be any concept of rank or status here. Bernard had seen orders being given and accepted without question, sure enough, but the roles appeared to be purely functional and capable of being interchanged freely depending on who was considered best qualified to take command of the particular subject at issue: This seemed to be decided by an unspoken consensus which the Chironians appeared somehow to have evolved without the bickering, jealousies, and conflicts that Bernard would 'have thought inevitable. Juanita asked..Curtis pushes open the bedroom door. You first, girl..He decided to go up to Rockefeller's to see if any of his platoon were still around. On the way his pace slowed abruptly. Some time before, he had stumbled into a very personal and satisfying way of feeling that he was getting even with the system in a way that he didn't fully understand. Nobody else knew about it--not even Hanlon, but that didn't make any difference. He hadn't seen her for a while now, and he was in just the right mood.. "You've already said it," Eve told him. She studied the expression on his face for a few seconds and then smiled. "You can't see it yet, can you, Paul?"..Stormbel drew his automatic and leveled it at Ramisson's back. "You have one warning," he called out. Ramisson kept walking. Stormbel fired. Ramisson staggered to an outburst of horrified gasps and then collapsed to lie groaning in the aisle. Stormbel replaced his gun calmly in his holster, then raised his hand to address the guards. "Remove that man, and see to it that he receives medical attention." Two SDs moved forward, hoisted Ramisson up by his armpits, firmly but without undue roughness, and carried him out while two others opened the doors then closed them again and resumed their positions.. "I bet she does," Stanislaw maintained. "They all do..Murmurs of surprise came from the screen. In the living room, the Chironians were staring at Celia in amazement. Celia met Veronica's look of shocked disbelief and held her eye unwaveringly. Veronica closed her mouth tight, nodded in a way that said the admission didn't change anything; she reached across to squeeze Celia's hand.. "Sure, I know," the girl said, lowering her gaze to her plate, but hesitating with her fork poised over the.. "It seems irrational to me to argue one way or another about things there's no evidence for," a boy of about four' teen remarked. "You can make up anything you want if there's no way of testing whether it's true or not, so what's the point?"..task is to stop any SD's getting out and, more important, to stop Stern and his people from getting in if things go well and they realize they can't hold the rest of the ship. What we have to prevent at all costs is Stern and Stormbel get/ ting in there and detaching the module so that it can threaten the rest of the Mayflower II as well as the planet. Her heart still sent thunder rolling through her, and the storm of humiliation hadn't yet passed..Jay and Marie were her latest weapons. Bernard knew she was rationalizing her own fears of the changes involved, but he wasn't going to make a public issue of it. "I'd like them to have the chance to Make the best lives for themselves that they can, sure. They've got that chance right here. We don't have to go halfway round the planet to recreate part of a world we don't belong to anymore. It couldn't last. That's all over now. You have to bring yourself to face up to it, hon."
