To fear a power, to fight a power, is very dangerous. To love power and to share it is the royal way. Look. Watch what I do." Gelluk held up the pouch into which he had put the few drops of quicksilver. His eye always on Otter's eye, he unsealed the pouch, lifted it to his lips, and drank its contents. He opened his smiling mouth so that Otter could see the silver drops pooling on his tongue before he swallowed..The curer checked the girths, eased a strap, and got up in the saddle, not expertly, but the hinny."You still are," Medra said. He had to regain it all, to go through it all, searching. Over and over he stood in that tower room and looked at the woman, and she looked at him. Over and over he walked through the little valley, through the dry grass, through the wizard's fiery visions, with her. Over and over he saw the wizard fall, saw the earth close. He saw the red ridge of the mountain in the dawn. Anieb died while he held her, her ruined face against his arm. "Why would you be a man?". The boy's drop-jawed stare irritated Hemlock, though he knew it shouldn't. Wizards are used to overweening confidence in the young of their kind. They expect modesty to come later, if at all. "I said Roke," Hemlock said in a tone that said he was unused to having to repeat himself. And then, because this boy, this soft-headed, spoiled, moony boy had endeared himself to Hemlock by his uncomplaining patience, he took pity on him and said, "You should either go to Roke or find a wizard to teach you what you need. Of course you need what I can teach you. You need the names. The art begins and ends in naming. But that's not your gift. You have a poor memory for words. You must train it diligently. However, it's clear that you do have capacities, and that they need cultivation and discipline, which another man can give you better than I can." So does modesty breed modesty, sometimes, even in unlikely places. "If you were to go to Roke, I'd send a letter with you drawing you to the particular attention of the Master Summoner." Diamond glanced at Rose. The girl turned her head away, looking down. "I learned it really quickly," Diamond said. "It was hard to be aware of her through the wizard's talk and the constant, half-conscious hill." South of Andanden lies a land where the ashes fell a hundred feet deep when last the volcano caught in that for a day and a night. When they got out, there wasn't another ship of all the there, intensely gathered, suffering: drew breath: looked straight into the wizard's eyes.
