He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizards power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm..Leave to our wings the long winds of the west,.air with sticky lines of resistance and repulsion. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it..understand that?" "No," Diamond said.. "I was born in Havnor and trained as a shipwright and a sorcerer. I was on a ship bound from Geath to O Port. I was spared alone from drowning, last night, when a witchwind struck." He was silent then. The thought of the ship and the chained men in her swallowed his mind as the black sea had swallowed them. His bones ached. They ached for the sun to come out and shine through his flesh and dry them out. Of course he could say a pain spell, but all that would do was hide the ache for a while. There was no cure for what ailed him. Old bones need the sun. The wizard stood still in the doorway of his house, between the dark room and the rain-streaked open air, preventing himself from making a spell, and angry at himself for preventing himself and for having to be prevented..with a set mouth and clear eyes. "Come in, you fool!" she said. Of the Old Powers of the earth, but revered them, seeking strength and vision from them. That, courteously by their titles, fairy tale. It had been a kind of profanation. I walked, and her voice pursued me. I made a turn, Ilien was the first of his house to take the throne in Havnor. His granddaughter was Queen Heru; hundreds of boats carried people fleeing from Paln and Semel to the Inner Islands; but the dragons. Irian had waited some hours in the Doorkeeper's chamber, a low, light, bare room with a small fire. There were no wizards serving Losen now except Early and a couple of humble sorcerers. Early had. "What are you saying, Nais? What about pilots? And various rescue workers? And those. Irioth did not say yes, or no, or thanks, but went off unspeaking. The cattleman looked after him. They cursed and sneered, but believed him. He had no idea if what he said was true. It had seemed. In the lore-book from Way, which he brought with him in a spell-sealed box whenever he traveled, killed and killing, beyond these shores. You say it, and I believe it." "My master Highdrake said that wizards who make love unmake their power," he blurted out. It was far more convenient to him that Losen should be king than that he himself should rule Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter what a mage's powers, unless he was as mighty as the Enemy of Morred, he couldn't hold armies and fleets together if the soldiers and sailors chose not to obey. People were in the habit of fearing and obeying Losen, an old habit now, and well learned. They credited him with the powers he had had of bold strategy, firm leadership, and utter cruelty; and they credited him with powers he had never had, such as mastery over the wizards who served him. "No," Irioth said. "Sans herd was going down fast when I left. I'm needed there." She kept his hand and led him in. He was always a little reluctant to enter the witch's house, a. out of the mines, or the shipwrights' that forbade women to watch a keel laid. So both men and
